## HM-Series Washer

# HM-Series Washer Extractors

The SEVE HM Series is the next step up in hard-mount performance — the premium choice for ground-floor laundries that demand reliable commercial washing with a higher level of specification and finish. Available with electric or steam heating and a 7-inch full-colour touchscreen controller as standard, the HM Series features a 3D honeycomb stainless steel inner drum, a triple-sealed permanently lubricated bearing system and a robust welded steel frame. Built to perform. Designed to impress.

## Key Features

- 7" full-colour touchscreen - 50 OPL programs.
- IP65-rated controller - splash and dust proof for demanding laundry environments
- 3D honeycomb inner drum - better detergent penetration and reduced linen wear
- Perforated drum lifters - continuous shower action for superior wash and rinse results.
- Triple-sealed bearing design - permanently lubricated and maintenance free.
- Energy efficient - inverter drive uses only the power each load demands.
- 200G extraction - approximately 60% residual moisture, up to 25% shorter drying cycles, lower energy costs.

## Essential Data

- Colour: Silver
- Capacity (kg): 18, 28, 35
- Heating Source: Electric or Steam
- Power Supply: 380v/50Hz/3Ph
- Warranty: 1-Year
